

The Cayman Heart Fund 2017 Red Dress 10th Anniversary Gala

The Cayman Heart Fund (CHF) is pleased to announce the **2017 Red Dress Gala Friday, February 10th**, at the beautiful **Kimpton Seafire Resort + Spa**.

Join us for our **10th Anniversary** and, together, let's celebrate your contributions and our mission to educate and build awareness about heart disease in the Cayman community.

The Red Dress Gala is our main fundraising event, and we rely on it to help us continue the various programs we've established in our community to raise awareness and to prevent and detect heart diseases.

This year, our Red Dress Gala promises to be unforgettable fun. With live music by Sea n' B, superb cuisine, an exciting live auction, and fun raffle prizes, we'll definitely be rocking the night away.

The 2017 Red Dress Gala really wouldn't be a celebration without you so please review our sponsorship opportunities noted below.

We appreciate, depend upon, and look forward to your support in our ongoing efforts to educate and prevent the No. 1 cause of death worldwide.

We hope you can join us and welcome you to contact the **Cayman Heart Fund at (345) 916-6324 or info@caymanheartfund.com** for more information.

With heartfelt thanks,

Suzy Soto, CHF Emeritus

&

Colleen Dahlstrom, CHF Project Coordinator

OUR STORY

The Cayman Heart Fund 2017 Red Dress 10th Anniversary Gala

The Cayman Heart Fund is a non-profit, non-governmental organization dedicated to educating the public, influencing policy and supporting access to high quality healthcare through various programs and initiatives.

Heart and circulatory disease, known as cardiovascular disease (CVD) is the No. 1 health problem in the Cayman Islands.

Founded in 2007 by Emeritus Suzy Soto, the Cayman Heart Fund Board of Directors work heartfully raising awareness about cardiovascular disease.

For the past 10 years, our members, volunteers and sponsors have helped us organize life-saving community health screenings, fitness programs, Automated External Defibrillator (AED) donations and a brand-new ambulance for Grand Cayman.

Together we are making a difference in the community!

- Raised more than CI\$150,000 to purchase a brand-new **ambulance** for Grand Cayman.
- Donated 20 **HeartSine Automated External Defibrillators (AEDs)** for the RCIPS to install in the district police stations, marine units and designate police vehicles.
- Provide free corporate **lunch and learn sessions** offered by our CHF medical directors.
- Organize community based, free health screening events, provided by volunteer nurses and doctors, which check for blood pressure, cholesterol and glucose levels.
- Support **BLS and CPR** courses in conjunction with the facility at St. Matthew's University on a semi-regular basis. St. Matthew's University is accredited as a training center by the American Heart Association and our instructors are AHA-certified.
- Support **Stroke Warriors**, an arm of the Cayman Heart Fund that tackles stroke disease. Organized by Miriam and William Foster.
- Support the **Children's Task Force**, which promotes a healthy lifestyle in early childhood by educating parents, caregivers and teachers. Supported by board member Dr. Christine Chen.
- Support the **Hart for Hearts** initiative, which offers financial aid for families with children born with congenital heart defects. Founded by Ben Hart whose son is one of our Heart Heroes.

- **Heart Smart Week** includes our annual International Symposium - Continuing Education for Medical Professionals, Ruby Luncheon and Women's Expo featuring special medical guest speakers that address women's heart health.
- Recognized our own **Heart Heroes** at a special awards luncheon in November, acknowledging cardiac survivors in our community and sharing stories that will save lives now and in the future.

**Thank you,
Cayman Heart Fund**
